In association with

## 'Hot Topics' GP Update Spring/Summer 2025 Course

**Saturday 7th June 2025      9:30am - 5:00pm**

NB Medical is delighted to once again be working with the Humberside LMCs to bring you our Hot Topics GP Update course on Saturday 7th June 2025.

For over 25 years, NB Medical has been the market leader for running GP Update courses in the UK and Ireland with over 20,000 GPs attending our courses per year. We are passionate about primary care, and committed to helping busy primary care professionals practice evidence-based medicine in an easy, time efficient way. Our teaching is focused on the patient, the problems they bring us and how best we can help them.

The Hot Topics GP Update course will provide you with an overall update of all the latest developments in the literature and to serve as a platform for CPD and help to deliver better patient care.
