'Hot Topics' GP Update Spring/Summer 2026 Course

In association with

Saturday 6th June 2026

9:30am - 5:00pm

NB Medical is delighted to once again be working with Humberside LMCs to bring you our Hot Topics GP Update course on Saturday 6th June 2026.

For over 25 years, NB Medical has been the market leader for running GP Update courses in the UK and Ireland with over 20,000 GPs attending our courses per year. We are passionate about primary care, and committed to helping busy primary care professionals practice evidence-based medicine in an easy, time efficient way. Our teaching is focused on the patient, the problems they bring us and how best we can help them.

The Hot Topics GP Update course will provide you with an overall update of all the latest developments in the literature and to serve as a platform for CPD and help to deliver better patient care.

For more information please contact: Tel: (0191) 6031872 Website: www.nbmedical.com

COURSE INFORMATION

OVERVIEW

The course revolves around short, engaging presentations using clinical cases and problems to illustrate recent learning points from the literature, followed by Q&A sessions.

COURSE REFERENCE BOOK

A fully referenced course book with recent summaries of the evidence. All of the material is up to date and the material is completely 100% independent from any external influence.

ONLINE CONTENT

12 months access to the online electronic version of the book which is searchable. All the original references and resources for GPs (e.g. links to online clinical calculators) and patients (e.g. patient information leaflets) are hyperlinked and just one click away.

A CPD tracker with which you can track your CPD, including external CPD.

NB MEDICAL WEB APP

The NB Medical Web App giving you access to the content from your course day in a fully searchable mobile friendly format on both iOS and Android devices.

UPGRADE TO INCLUDE NB PLUS

You can upgrade your order to include **NB PLUS**

NB PLUS includes:-

- **ALL** NB Medical Live & On Demand Course Webinars
- **ALL** NB Medical Online Course Books
