GP Partner

North Beverley Medical Centre

Closing date is 30 October 2026

 **Apply for this job** (Link:)

Job summary

4-8 sessions per week | Equity partnership with no up-front buy-in | No property ownership | HYMS-accredited teaching practice

North Beverley Medical Centre is looking for a GP Partner to join our friendly, well-established practice. We care for approximately 6,800 patients, a size that allows real continuity of care while giving us the depth of team to share the load.

Located in a modern purpose built building with easy access and parking facilities.

We're looking for a colleague who wants to help shape the future of the practice.

You should have excellent team working skills. In return we offer an excellent, interesting and challenging career development opportunity in a high quality, well organised, patient orientated practice, which was rated 'good' at the last CQC inspection (2026).

Partnership on fair terms

We offer **equity profit share**.

We operate from a good quality rented premises, so there's no building to buy into or manage, and you can focus on patients and the practice.

Main duties of the job

The role

As a GP Partner you will -

Provide high-quality, patient-centred primary care as part of a supportive team

Take an active role in the strategic direction and leadership of the practice

Share in the business and governance responsibilities of partnership

Lead on key areas of practice development, including **long-term conditions and education**

We offer **4 to 8 sessions per week**, and we're happy to discuss how that fits around your life, including job-share arrangements.

What we offer

Equity profit share with no up-front buy-in

No property ownership - rented premises with no building to buy into

Genuine flexibility in your working pattern, with sessions that can grow or adjust over time

A broad multidisciplinary team to support your clinical work, so your time is used where it counts

Protected time for admin, CPD, teaching and leadership responsibilities

The option of one week's study leave

Opportunities to develop a teaching portfolio through our HYMS links

A welcoming East Yorkshire location, in the historic market town of Beverley, with excellent schools, countryside and coast nearby, and easy access to Hull and York

About us

About us

We're a Hull York Medical School (HYMS) accredited practice, currently we do not have Medical students in place but you'll have the chance to teach and inspire the next generation of doctors as much or as little as you wish.

You'll be joining a multidisciplinary clinical team made up of -

GP Partners and Salaried GPs

Advanced Nurse Practitioners

Paramedics

Clinical Pharmacy team

Practice Nurses and Healthcare Assistants

Care Navigators

We work on **SystemOne** and are part of **Beverley PCN**, collaborating with neighbouring practices to deliver joined-up care for our community.

About you

You will be -

A fully qualified GP on the GMC GP Register, with MRCGP or equivalent

Eligible to work in the UK and on the NHS Performers List or eligible to join it

Committed to high standards of patient care and clinical governance

A team player with excellent communication and leadership skills

Newly qualified GPs and those stepping up from a salaried or locum role are very welcome to apply.

Job description

Job responsibilities

The Role includes

To take clinical responsibility for registered patients and maintain appropriate records of treatment given and NHS services provided

Undertake a variety of consultations including face to face, telephone triage, telephone consultations and home visits as well as participating in the on call Rota Ensure appropriate referrals are made in a timely and efficient manner, optimising the use of Choose and Book to facilitate patient choice and access

Make professional, autonomous decisions in relation to presenting problems; assessing the health needs of patients with undifferentiated and undiagnosed problems

Record clear and contemporaneous consultation notes to agreed standards; ensuring accurate notes of all patient contact and consultations, in line with any IM&T protocols

Prescribe safe and effective medicines management which conforms to CCG formulary, NICE guidance and DH directives operating safe management and regular review for all patients receiving repeat prescriptions

About you

You will be -

A fully qualified GP on the GMC GP Register, with MRCGP or equivalent
